Discover the most exclusive destination in the Vidanta collection. Located on the serene shores of the Sea of Cortez, Vidanta East Cape is a 3,000-acre desert sanctuary where rugged bluffs meet crystal-clear swimmable waters. Unlike the high-energy mega-resorts, East Cape is designed as a low-density, high-luxury retreat for those who equate travel with privacy and sophistication.

### WOHRCR Exclusive "Estates" Features:

- **Elite Accommodations:** From 1-Bedroom sanctuaries to sprawling 4-Bedroom "Palaces by the Sea," every unit at The Estates features **gourmet kitchens**, private plunge pools, and expansive terraces with unobstructed ocean views.
